Minsi Trails Council
"Friends of Scouting" Motorcycle Pledge Ride
Saturday, May 11th, 2013
Sponsored by USA Architects

Rev up your engines and cruise along as we celebrate Scouting! Our goal is 100 motorcycles and $10,000 raised to help the Minsi Trails Council continue the journey of Scouting for more than 12,000 boys across the Lehigh Valley and beyond.

Scouting fast facts: For over 100 years, Scouting has linked young people, including youth in our urban areas, to the character and leadership-building traditions that strengthen our families, communities, and country. The Boy Scouts of America emphasizes community service, personal fitness, and achievement. Skills that Scouts learn help throughout their lives in meeting challenges, developing character, and preparing them to be responsible, caring adults.

Ride Info: Travels a scenic route through the Lehigh Valley and into the Pocono area; **a stop will be made at Pocono International Raceway with laps around the track**. Participants registering prior to Friday, April 26th, deadline will receive commemorative tee-shirts; walk-ins are accepted on the day of the ride, but are not guaranteed tee-shirts.

- **Proof of motorcycle insurance, as well as signing a "hold harmless" agreement is required or all participants**
