Why Trainer Presentation Skills?

Many trainers: District trainers, NYLT staff, Wood Badge Staff, and even Scoutmasters and Cubmasters will benefit from this course! The core objective is to take every participant through creating an excellent presentation, and giving and receiving feedback on that presentation! If you call it thorns and roses or Start Stop Continue, we all have been involved with feedback. This course will concentrate on not only how to give great presentations but also how to give constructive feedback!
