

February, 2013

Dear Eagle Scout,

Congratulations on achieving Scouting's highest honor ... Eagle Scout! Achieving Eagle Scout is a tremendous accomplishment, and I invite you to share this success with your fellow Eagles from the Class of 2012 during the Council's Eagle Scout Recognition Dinner.

A very special Eagle Scout Recognition Dinner is planned to recognize your accomplishment, and we hope that you, your family, and friends will participate in this event.

What: Eagle Scout Recognition Dinner honoring the Eagle Scout Class of 2012
Where: Holiday Inn Conference Center, Fogelsville, PA
When: 6:00 p.m. on Wednesday, May 22, 2013

Reception and Eagle Scout photos beginning at 6:00 p.m.
Dinner and program at 7:00 p.m.

A congratulations letter was also sent to your parent(s) along with a reservation form. Please complete the reservation form and mark your calendars now for this great dinner!

Use the reservation form to let us know how many of your family and friends will be attending. Eagle Scouts from the Class of 2012 attend for *FREE* (your cost is paid by the Council). Last year more than 400 people attended the dinner, so please reply early.

As part of the dinner, we plan to have an Eagle sponsor sit at your table who may work in the career interest that you identified on the reservation form. During dinner, there may be an opportunity for the sponsor to speak with you about your career interest, answer career-related questions, and give you a personal perspective on that career field.

In early April, you will receive information and an application for our Eagle Scholarship Award. The \$1,000 scholarship will be awarded to two Eagle Scouts at the dinner for use with educational expenses following high school. This form and other information on the Eagle Dinner will be available on our website at www.minsitrails.com/eagledinner.

Once again, congratulations on achieving the rank of Eagle Scout! Please return your reservation form, mark your calendar, and call Jane Chase at (610) 465-8568 with any questions.

Sincerely,

Craig Poland
